Even the liberal response of the past week has failed to satisfy our pressing demands for more room for incoming stock! We've got to speed up the buying—we're willing to sacrifice profit to do it! Prices on every item in this store have been quartered—in many instances halved—for go they MUST—they WILL—and quickly, too. Surely such an opportunity to secure dependable furniture at these greatly shattered prices means much to every home in Richmond! Better provide for future as well as present needs NOW—at these wonderfully low prices. Space permits enumeration of but few of the items—hundreds of others at corresponding price-wrecking figures. Just a small deposit secures your purchase—we'll arrange the balance to suit.
